

Wonderwall

Em G D A7
Today is gonna be the day that they're gonna throw it back to you

By now, you should've somehow realised what you gotta do
I don't believe that anybody feels the way I do about you now

And backbeat, the word is on the street that the fire in your heart is out
I'm sure you've heard it all before, but you never really had a doubt
I don't believe that anybody feels the way I do about you now

C D Em
And all the roads we have to walk are winding

C D G D Em
And all the lights that lead us there are blinding
There are many things that I would like to say to you

A7
But I don't know how

C Em G Em
Because maybe, You're gonna be the one that saves me
And after all, You're my wonderwall

All x2

Sweet Caroline

A D
Where it began, I can't begin to know when
A E
But then I know it's growin' strong

Was in the spring, And spring became the summer

Who'd have believed you'd come along

A A6 E D E
Hands, Touchin' hands, Reachin' out, Touchin' me, touchin' you

A D (C#F#)D E
Sweet Caroline, Good times never seemed so good
A D (C#F#)D E D C# Bm
I've been inclined, to believe they never would, but now I

A D
Look at the night, And it don't seem so lonely

A E
We fill it up with only two

And when I hurt, Hurtin' runs off my shoulders

How can I hurt when holdin' you?

A A6 E D E
Warm, Touching warm, Reachin' out, Touchin' me, touchin' you

Chorus x2

See You Again

F Dm
You live in my dream state, Relocate my fantasy
Gm A7
I stay in reality, You live in my dream state

Any time I count sheep, that's the only time we make up, make up

You exist behind my eyelids, my eyelids

Now, I don't wanna wake up

20/20, 20/20 visions

Cupid hit me, Cupid hit me with precision, I

Wonder if you look both ways when you cross my mind (Yeah)

I said, I said, I'm sick of, sick of, sick of, sick of chasing

You're the one that's always running through my daydream, I

I can only see your face when I close my eyes

Can I get a kiss? And can you make it last forever?

I said I'm 'bout to go to war and I don't know if I'ma see you again x2

I said okay, okay, okay, okey-dokey, my infatuation
Is translatin' to another form of, what you call it?

Oh, yeah, oh, yeah, oh, yeah, I ain't met you, I've been lookin'

Stop the waitin' 'fore I stop the chasin', like a alcoholic

"You don't understand me" - What the fuck do you mean?

It's them rose-tinted cheeks, yeah, it's them dirt-colored eyes

Sugar-honey iced tea, bumblebee on the scene

Yeah, I'd give up my bakery to have a piece of your pie

Chorus

My Girl

C F C F
I've got sunshine on a cloudy day

When it's cold outside I've got the month of May

C Dm7 F G
I guess you'd say

What can make me feel this way?

C
My girl (my girl, my girl)

Talkin' 'bout my girl (my girl) FF GG

C F C F
I've got so much honey the bees envy me

I've got a sweeter song than the birds in the trees

Chorus

D G D G
I don't need no money, fortune or fame

I've got all the riches, baby, one man can claim

Chorus

Iris

D Em G
And I'd give up forever to touch you

Bm A G
'Cause I know that you feel me somehow

You're the closest to Heaven that I'll ever be

And I don't wanna go home right now

And all I can taste is this moment, And all I can breathe is your life

And sooner or later, it's over, I just don't wanna miss you tonight

Bm A G
And I don't want the world to see me

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am

D Em G
And you can't fight the tears that ain't coming

Bm A G
Or the moment of truth in your lies

When everything feels like the movies

Yeah, you bleed just to know you're alive

Chorus x2

Good Luck Babe

G A
It's fine, it's cool
D Bm
You can say that we are nothing, but you know the truth
And guess I'm the fool

With her arms out like an angel through the car sunroof

Em9
I don't wanna call it off
Em
But you don't wanna call it love
Em9 Em
You only wanna be the one that I call "baby"

G A
You can kiss a hundred boys in bars
D Bm
Shoot another shot, try to stop the feeling
You can say it's just the way you are
Make a new excuse, another stupid reason
Good luck, babe, well, good luck, babe
You'd have to stop the world just to stop the feeling
Good luck, babe, well, good luck, babe
You'd have to stop the world just to stop the feeling

I'm cliché, who cares?

It's a sexually explicit kind of love affair

And I cry, it's not fair

I just need a little lovin', I just need a little air

Em9
Think I'm gonna call it off
Em
Even if you call it love
Em9 Em
I just wanna love someone who calls me "baby"

Chorus

Em9 Em
When you wake up next to him in the middle of the night
With your head in your hands, you're nothing more than his wife
And when you think about me, all of those years ago
You're standing face to face with "I told you so"
You know I hate to say, "I told you so"
You know I hate to say, but, I told you so

Chorus

Ribs

A: The drink you spilt all over me

"Lover's Spit" left on repeat

Em
My mom and dad let me stay home

It drives you crazy getting old

A B: We can talk it so good

E We can make it so divine

A We can talk it good

C#m
How you wish it would be all the time

Ax2

E

This dream isn't feeling sweet

We're reeling through the midnight streets

B7 C#m
And I've never felt more alone
It feels so scary getting old

B

A
This dream isn't feeling sweet, we're reeling through the midnight streets
E And I've never felt more alone, feels so scary getting old x2

A
I want 'em back, I want 'em back
The minds we had, the minds we had
E
How all the thoughts, how all the thoughts
Moved 'round our heads, moved 'round our heads
A
I want 'em back, I want 'em back
The minds we had, the minds we had
E
It's not enough to feel the lack
I want 'em back, I want 'em back, I want 'em
A
You're the only friend I need
E
Sharing beds like little kids
A
And laughing 'til our ribs get tough
E
But that will never be enough x2

Sugar We're Going Down

Bm D G C#m
Am I more than you bargained for yet?
Bm G D G
I've been dying to tell you anything you wanna hear
'Cause that's just who I am this week
D G Bm G
Lie in the grass next to the mausoleum
I'm just a notch in your bedpost, but you're just a line in a song
(Notch in your bedpost, but you're just a line in a song)
F#m G A Bm
Drop a heart and break a name
Bm G
We're always sleeping in, and sleeping for the wrong team
D
We're going down, down in an earlier round
G
And sugar, we're going down swinging
Bm
I'll be your number one with a bullet
G
A loaded god complex, cock it and pull it x2

Is this more than you bargained for yet?

Oh, don't mind me, I'm watching you two from the closet

Wishing to be the friction in your jeans

Isn't it messed up how I'm just dying to be him?

I'm just a notch in your bedpost, but you're just a line in a song

(Notch in your bedpost, but you're just a line in a song)

Prechorus, chorus x2

(If you want to do the backing vocals on the last chorus (take aim at myself, take back what you said), go nuts)
